2206	12/05/2022		<b>King George V Community Projects - Wind Turbine Panel</b> Concern over lack of information about fund closure and plan for distribution of funds	LM	07/07/2022 - A response was finally received from the KGVCP Chairman on 29/06/2022. TCC remains disappointed and concerned that these funds are not now directly available to community groups across AB31. LM to contact colleagues on Panel. Extract of response: "KGVCP SCIO is the Community Group partner of Developer Frank A Smart and Son Limited under the CARES agreement of 2012 and undertakes to apply sums received to benefit the local community in accordance with its constitution which declares a commitment to provide or improve facilities for Youth, Sport and in particular Special Needs. Key to the current re-focussing of potential funding support within AB31 is the recent marked reduction in Special Needs support for Mid-Deeside with closure of the Scolty Centre base as part of the Covid infection control strategy and recently categorisation of the building as a Vaccination Centre. Over years prior to the Covid outbreak Aberdeenshire Council failed to upgrade facilities within Scolty Centre despite repeated directives from the Care Commission and indeed, admitted there were no plans to invest in the fabric of the building.
